BAO TO ME 包给我

Bao to Me is a Bangalore-born restaurant founded by three friends—a techie-turned-chef, a corporate foodie, and a business expert—who turned their love for food, culture, and their city into something greater than the sum of its parts. It's not just about the bao—it's about bringing people together over a shared table, fusing authenticity with fun in a modern, pan-Asian setting.

Client: *Bao to me*

TYPOGRAPHY

PRIMARY TYPEFACE

Aa

abcdefghijklmnopqrstuvwyz
1234567890!@#$%^&*()_+=:;"<>,./?

Laila

Laila is a graceful serif font with soft, calligraphic curves inspired by Indian script forms. It blends tradition and modernity, making it ideal for elegant, culturally-rooted branding.

SECONDARY TYPEFACE

Aa

abcdefghijklmnopqrstuvwyz
1234567890!@#$%^&*()_+=:;"<>,./?

Nunito

Nunito is a clean, rounded sans-serif font designed for modern, friendly communication. With smooth curves and balanced proportions, it offers excellent readability while maintaining a warm, approachable feel—perfect for digital interfaces, branding, and contemporary design.
